

Charleston

South Carolina

SEPTEMBER 16-19, 2023

This place is as sweet as a peach!

Charleston delivers small-town charm in spades, from the shady courtyards and old Victorian homes to the horse-drawn carriages and six—yes, six—gorgeous beaches. But while the classic southern backdrop is a huge draw, this coastal stunner has plenty of big city attractions. So go ahead and do the historic sites—Middleton Place, Fort Sumter National Museum, the French Quarter, to name a worthy few—but work in time for checking out the city's contemporary side. There's the International African American Museum, 30-plus art galleries, and a dynamic, ever-evolving food scene, serving everything from Lowcountry staples (hello, fried chicken) to modern tapas.
