

# PORTLAND

Maine

OCTOBER 21-24, 2023

## "Authentic by nature"

In Portland, Maine you'll find a hub with cobblestone streets, local shops, and scenic working waterfront views. But never far away are charming area towns bringing beaches, lighthouses, world-class eats + arts, outdoor adventures, and shopping destinations just a short drive from downtown. This little city has a world-class dining scene, truly magnificent art institutions, and plenty of places to enjoy the scenic rocky coast. Forever tied to its maritime heritage, Portland maintains much of its 19th century architecture and character of the trading and fishing settlement it once was when established in 1632.
